

Press Release

NGMN Alliance and Bharat 6G Alliance Forge Strategic Partnership for Future Wireless Innovation

Düsseldorf /New Delhi, 16th October 2024: The **Bharat 6G Alliance (B6GA)** and **NGMN Alliance e.V. (Next Generation Mobile Networks Alliance)** have signed a landmark **Memorandum of Understanding (MoU)** during the **International 6G Symposium**, held at **India Mobile Congress (IMC)** on **16th October 2024** in **New Delhi**. The MoU was signed in the presence of **Shri Jyotiraditya M. Scindia**, Hon'ble Minister of Communications and Development of North-Eastern Region, who inaugurated the International 6G Symposium.

This Memorandum of Understanding aims to enhance collaboration in advancing next-generation wireless communication technologies. This strategic partnership aims to foster a deeper exchange of technical knowledge, expertise, and best practices, ensuring that future network infrastructures, service platforms, and devices meet the evolving needs of operators and ultimately satisfy the expectations of end users worldwide.

The signing of this MoU signifies a strong commitment from both organizations to contribute jointly to the progress of the global wireless industry.

About Bharat 6G Alliance (B6GA):

The Bharat 6G Alliance is established as a not for profit Society under Indian laws (<https://bharat6galliance.com/>). It is an alliance of Indian industry, academia, national

research institutions and standards organizations facilitated by the Government. The vision of Bharat 6G Alliance is aligned with the Bharat 6G Mission of the Government of India to design, develop and deploy technology and innovations that provide an intelligent and secure solution for high quality living experience of citizens in India and across the world. The Bharat 6G Alliance aims to promote the ecosystem for research, design, prototyping, development, proof of concept testing, IPR creation, field testing, security, certification and manufacturing of telecom products, end-to-end Solutions, Use-cases, Pilots, etc.

About NGMN Alliance

NGMN Alliance e.V. (hereinafter “NGMN”) with offices at Breite Strasse 3, 40213 Duesseldorf, Germany, is a forum founded by world-leading Mobile Network Operators and open to all Partners in the mobile industry. Its goal is to ensure that next generation network infrastructure, service platforms and devices will meet the requirements of operators and ultimately will satisfy end user demands and expectations.
