**BUILDING THE 6G FOUNDATION:
FIRST KOREA-INDIA WORKSHOP
2025**

 4 June, 2025, Wednesday
At 10:00 AM IST / 1:30 PM KST

About Bharat 6G Alliance:

The Bharat 6G Alliance is established as a not for profit Society under Indian laws (<https://bharat6galliance.com/>) . It is an alliance of Indian industry, academia, national research institutions and standards organizations facilitated by the Government. The vision of Bharat 6G Alliance is aligned with the Bharat 6G Mission of the Government of India to design, develop and deploy technology and innovations that provide an intelligent and secure solution for high quality living experience of citizens in India and across the world.

About 6G Forum

The 6G Forum, formerly known as 5G Forum founded in 2013, is a leading organization committed to the advancement of mobile communication technology (<https://www.6gforum.or.kr>). It has a vast experience in promoting international partnerships and collaborating with domestic academic institutions, public entities and domestic/global industries, and the Forum now focuses on 5G-Advanced and 6G technologies. Its one of mission is to lead global advancements in 6G, enhance convergence services across various sectors, and meet the ITU-R's 6G performance targets through strong international cooperation and active member participation.
